**IV. Society Update**

Chairman King reported that positively serving members is the goal of the Society. He cited the number of events plus the number of members who attend events as examples of the Society's success.

The year, the Society's strategic initiatives focused externally, with outreach to government, employers and universities. Ideally, this outreach will contribute to the growth of the industry and will increase the value and visibility of the Charter.

Mr. King also cited the following accomplishments:

- 51 events held in 2007-2008
- 1<sup>st</sup> members-only job fair
- Opportunity for public to find a member on CFA Chicago website; Members can opt in to create a profile; More than 200 members already listed.
- Online CFA Community; Gives members the opportunity to network with each other outside of Society events; This will hopefully be utilized by suburban members; More than 200 members are already users.

Mr. King recognized and thanked the leaders who are leaving their posts effective June 30, 2008 and welcomed the new Directors and Officers.

Mr. King recognized James Corrigan in the audience as a long-standing member of the Society.
