

A support center for people who are homeless.

Since 1996, the Goldie's Place mission has been to assist adults who are homeless to become self-sufficient by providing life skills, education and support.

Goldie's Place services build self sufficiency and eliminate the underlying causes of homelessness by providing dedicated individuals with the tools and foundation to gain employment.

Ready to give something back? As Goldie's Place continues to expand the impact of its mission, the Executive Board is looking for additional Board Members, Associate Board Members and Volunteers who share its passion for making a difference.
