MENTEE APPLICATION

The Mentorship Program has been designed to provide a formal structure for CFA Society Chicago members to engage one another and develop constructive and beneficial mentor-mentee relationships. It is our goal that the Program will serve as a foundation from which these relationships can grow and continue after its conclusion. The Program will last approximately 8-months and will consist of a Program Orientation/Mentor-Mentee Mixer, 5 one-on-one Mentor-Mentee meetings and a Program Conclusion Meeting facilitated by CFA Society Chicago staff.
